TOURNAMENT CONDITIONS

1. The Tournament will be run in accordance with the ITF Rules of Tennis.
2. The Committee has the entire management of the Tournament.
3. Depending on the number of entries in singles events, some players may be requested to play on the Sunday.
4. All singles events will be the best of three sets with a tie break at 6 all. All other events will be generally played as an 8 game Round Robin event or as deemed appropriate by the Committee.
5. Matches will be played in accordance with a time draw displayed in the clubhouse during the preceding week, but the Committee may vary it if deemed necessary. Play will commence at 8.00am on Monday and competitors are expected to be available from that time or risk forfeiting if drawn. Competitors are responsible to acquaint themselves with the draw.
6. The Referee is the sole judge whether a match is to be postponed or discontinued owing to the state of the courts, light, weather or accident to a competitor. A discontinued match is to be resumed from the point at which it was discontinued, at a time and place determined by the Committee. In the event of rain, singles event players may be requested to reduce the number of events in which they are entered or reduce the singles event from 3 sets to best of 17 games.
7. The Committee reserves the right to combine or cancel events if considered insufficient entries have been received or alter the program if deemed necessary.
8. Competitors may play 4 events – 1 singles, 1 mens' or ladies' doubles, 1 combined doubles and 1 mixed doubles.
9. Competitors entering doubles events without a partner shall accept the partner allotted by the Committee, but this condition shall not impose any obligation on the Tournament Committee to find a partner.
10. The Committee reserves the right to play any match under lights.
11. All fees to be paid with entry form. No refunds will be made for the withdrawal of a player within seven (7) days of the scheduled start of the singles main draw. No refunds for a washout once the draw is completed.
12. Senior players will be eligible to play their age group during the full year – i.e. a player who attains (say 35 years) on any date during, up to and including December 31st, will be eligible to play 35+ events for the full year.
13. Prize vouchers will be presented only for events that have been played and are to purchase goods or services in Merimbula. They are not redeemable for cash.
14. If two teams win the same number of games in an event, section of an event or final, the result of the drawn pairs match in the event will decide the winner.
15. If there are three sections in an event, the finals will consist of the 3 section winners and the pair with the highest percentage of games won in that event other than the winners.
16. Where necessary the semi-final places shall be decided by drawing names (seeded players will be placed in opposite draws) and will be played at the same venue on the same days as the event takes place. Players are to be available or risk forfeiting their position.
17. All players not registered with a Seniors' Association must pay an additional \$10.00 for temporary registration.
18. In entering the Tournament, a player automatically grants the right in perpetuity to make, use and show pictures of him/her, motion or still, taken during the competition without compensation.
